Pride Carbide Professional Nail Tools

First of all we would like to thank you for viewing our catalog and products. Pride Carbide Professional nail tools is a family owned company based out of Southern California dedicated to the manufacturing of carbide bits for the beauty & nail industries. We have been proudly producing quality tools domestically and internationally for over 30 years..

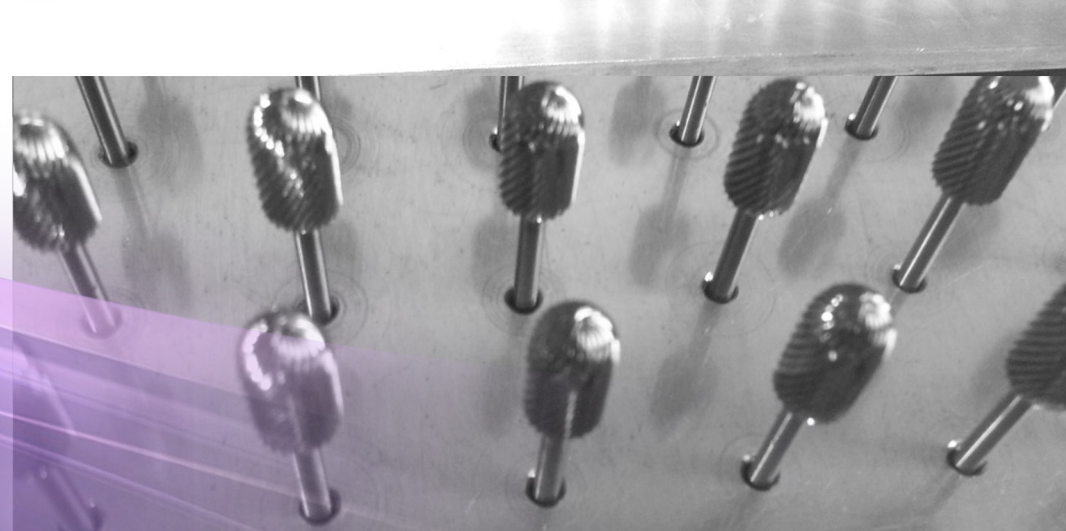

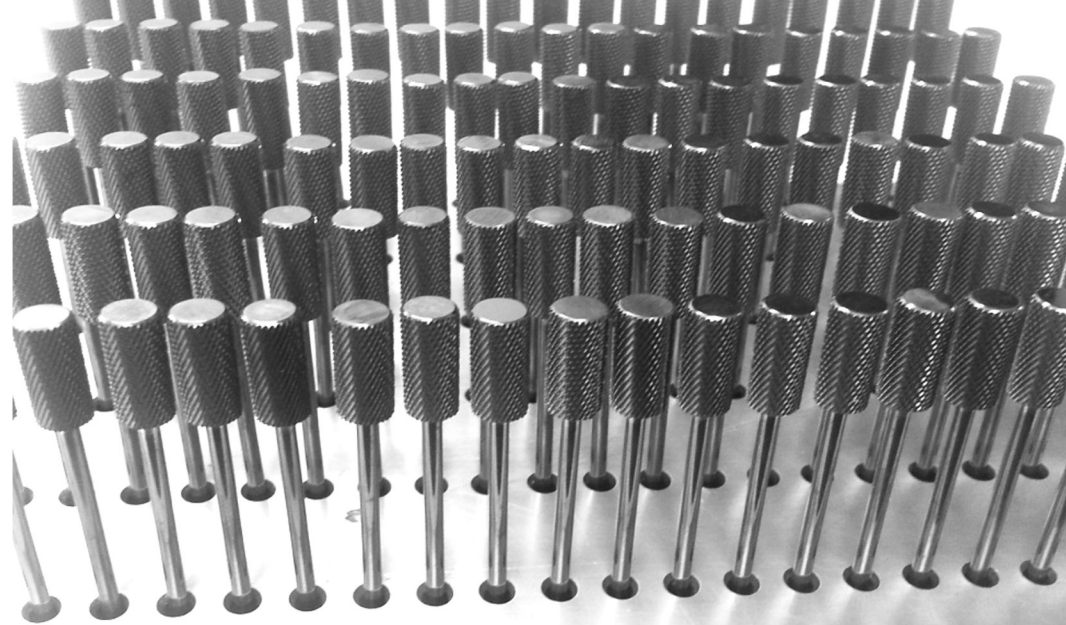

Why Us?

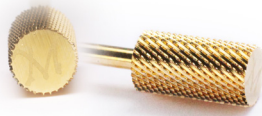

- Direct manufacture of premium carbide bits.
- Large inventory in stock.
- Competitive Pricing.
- Incentive programs. (ask your rep about these programs)
- Private labels available with minimum quantities.
- Impeccable customer service.

Thank you again for taking the time in viewing our catalog! We look forward to doing business with you.

Sincerely,

Your Team at,
"Pride Carbide"

Ordering Information

All items in the Pride carbide catalog carry unique item numbers. Using these numbers will keep ordering errors to a minimum and assure that you receive exactly what you order. Orders will be accepted by phone, fax, and email

Product Warranty

Pride Carbide Cutting Tools assures that all products sold shall be free from manufacturing and material defects. Pride Carbide Cutting Tools will repair, replace or issue credit on any product that does not conform with this warranty. Any product that has been altered, used, marked or damaged voids this warranty

This warranty is in lieu of all other warranties, expressed or implied including any warranty of merchantability or fitness for a particular and is also in lieu of all other obligations or liabilities including any obligation or liability arising from contract or otherwise for damages whether direct or consequential. There are no other warranties except the warranty against defects in material and workmanship set forth above, and we neither assume nor authorize any other person or firm to assume for it any obligation or liability in connection with our products

Terms of order

All orders are shipped with net 30 day terms OAC (delinquent at 35 days) no ship

Cancellations

On orders for private label or laser'd carbide bits, a cancellation fee will be charged proportionate to the cost incurred on the order at the time of cancellation. On standard catalog tools, cancellations are accepted at no charge unless the order has been shipped on the ordered amount, is unusually large in proportion to Pride Carbide Cutting Tools.

Return of Goods Policy

Tools may not be returned without a return goods authorization (RGA) number. Material returned for credit will be subject to a 20% restocking charge. Credits will not be issued for any items that have been modified, altered, marked, machined or used. Special items are not subject to returns or exchanges.

Safety Precautions

Carbide cutting tools should be used to perform functions that are compatible with the original tool design. Any carbide cutting tool may chip or shatter when broken. Safety glasses and other appropriate safety equipment should be worn by all people in the vicinity of tool use

Technical Assistance

Any technical assistance or application suggestions made by Pride Carbide Cutting Tools personnel are only to assist the customer and in all cases use of such information is solely the customers responsibility.

Claims

Claims for shortages damage or loss must be made within 3 days of receipt of tools.

Revisions

Pride Carbide Cutting Tools reserves the right to revise listings and specification in this catalog without notice. Pride Carbide Cutting Tools is not responsible for any typographical errors in this catalog. Please verify the current data at the time of your order
